The Brady Brief - Keeping Jobs in America

Dear Friend,

Last week, Congress continued its commitment to creating jobs across the country with the passage of the American Jobs, Closing Tax Loopholes and Preventing Outsourcing Act. This important piece of legislation promotes American job creation and preservation, ensures access to physician choice for seniors and veterans, provides unemployment assistance, and closes unfair tax loopholes.

The following outlines the major provisions of this act, but for more information on job creation or any other issue, please visit [my website](#).

Promotes American Jobs

- Provides American families with sales tax relief and property tax relief
- Allows for college tuition tax deductions
- Funds a summer jobs program for young people
- Restores credit flow to small businesses, enabling them to hire more workers
- Extends the R&D Tax Credit to keep good jobs in America
- Issues government bonds to make it cheaper for state and local governments to finance rebuilding of schools, sewers, and hospitals

Closes Tax Loopholes to Fund Job Creation

- Makes Wall Street fund managers pay a fair tax on their income
- Prevents corporations from shipping jobs overseas at the American taxpayer's expense
- Closes loopholes that allow wealthy taxpayers to avoid paying taxes that working families are required to pay

Enforces Corporate Accountability

- Protects coastal economies by strengthening the Oil Spill Liability Trust Fund
- Takes steps to hold the oil industry accountable for the recent oil spill in the Gulf

Aids Americans in this Tough Economic Climate

- Ensures access to the doctor of your choice for seniors, veterans, current members of the military, and people with disabilities
- Extends unemployment insurance
- Gives health assistance to struggling states, enabling thousands to keep their jobs
- Prevents the cuts in Medicare physician payments that are scheduled to occur under the Sustainable Growth Rate (SGR)

I am proud to have voted for this bill because I believe it will ensure that good jobs remain in America, while also providing needed assistance to those still struggling as the economy recovers.
